\* The Live-Stream Video Conference option for this course is only available to those that live 120 miles or more from the course location. Video conference registrations for this course **MUST BE PROCESSED BY PHONE.**

LSUCDE video courses are live-streamed via BlueJeans. CE administrators perform roll call and random check-ins via the chat window in BlueJeans. If you miss one or more check-ins it could affect your credits. Before the course you will receive three links: a link to the meeting, a link to a short test, and a link to a course evaluation. You must submit the test and evaluation in order to receive credit. The Louisiana State Board of Dentistry counts CE hours earned through LSUCDE live video conference as in-person hours.

## OVERVIEW & LEARNING OBJECTIVES

### Differential Diagnosis of White Lesions: Harmless or Serious? *(Morning Topic)*

This lecture will provide dental professionals a review of a broad spectrum of white lesions that may be encountered in the oral cavity. Numerous clinical images will be provided to give the clinician a thorough review of benign, premalignant and malignant pathologic processes. Drs. Cordell & Rosebush will review appropriate therapy and management of these lesions. After attending this lecture, participants should be better able to:

- Recognize clinical features of a spectrum of white oral lesions including entities from benign white lesions, premalignant white lesions, malignant white lesions
- Diagnose and be familiar with how to treat a variety of common and/or significant white oral lesions
- Recognize indications for referral

### The Many Causes of Oral Ulcers *(Afternoon Topic)*

This lecture will provide dental professionals a review of the wide variety of ulcers that may be encountered in the oral cavity. Numerous clinical images will be provided to give the clinician a thorough review of oral ulcers and their causes including traumatic, infectious, immune-mediated and neoplastic. Drs. Cordell & Rosebush will review appropriate therapy and management of these lesions. After attending this lecture, participants should be better able to:

- Recognize clinical features of a spectrum of oral ulcers including entities from these categories: traumatic, infections, immune-mediated, neoplastic.
- Diagnose and be familiar with how to treat or manage patients with ulcers resulting from traumatic, infectious, immune-mediated and/or neoplastic
- Recognize indications for referral

## ABOUT THE PRESENTERS

**Kitrina Cordell, DDS, MS** is Chair of the Department of Diagnostic Sciences and Professor of Oral and Maxillofacial Pathology at LSU School of Dentistry (LSUSD). Dr. Cordell earned her DDS and MS in oral and maxillofacial pathology from The Ohio State University. Dr. Cordell is member of the North American Society of Head and Neck Pathology, a tripartite member of the American Dental Association, a Fellow of the American Academy of Oral and Maxillofacial Pathology and a Diplomate of the American Board of Oral and Maxillofacial Pathology.

**Molly Rosebush, DDS, MS** is an Associate Professor in the Department of Diagnostic Sciences at LSU School of Dentistry (LSUSD). She completed her DDS at the University of Michigan and a residency in oral and maxillofacial pathology at The Ohio State University. Dr. Rosebush serves as director of the LSU Oral Pathology Biopsy Service. She is a Fellow of the American Academy of Oral and Maxillofacial Pathology and a Diplomate of the American Board of Oral and Maxillofacial Pathology.

**ADA C.E.R.P.®** Continuing Education Recognition Program

LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).
