LSU Dental Implant Continuum™
for Treatment Planning, Placement & Restoration of Implants
in Baton Rouge

One 3-day weekend per month for seven consecutive months. (Full schedule inside)

John M. Barksdale, DDS, Director
and Rick Ferguson, DMD, Co-Director
with 10 additional faculty members

Starts October 27, 2017 and ends April 8, 2018

- For dentists with a current U.S. license
- Limited-attendance, comprehensive, interdisciplinary
- Live patient surgeries during all sessions
- Proof of malpractice insurance required

Tuition: $13,000

Register NOW...

This continuum will fill up because it is a live patient experience.

LSU Health New Orleans Continuing Dental Education is the brand name of LSU's overall continuing dental education program; it represents the long-standing affiliation and working relationship between LSU Health New Orleans School of Dentistry and The Louisiana Academy of Continuing Dental Education, Inc. for the purpose of developing, marketing, and administering online and live continuing education courses and training programs. This continuing education activity has been planned and will be implemented in accordance with standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between LSU Health New Orleans Continuing Dental Education and Implant Educators. LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider.
Course Description & Overview
Our instructors will guide you as you acquire the knowledge and confidence you need for treatment planning, placement and restoration of implants. During the continuum:

- You will be encouraged to bring cases for treatment planning and review, and will benefit from one-on-one treatment planning.
- You will participate in hands-on model workshops, and observe and place implants in live surgeries.
- You will be expected to demonstrate competency on all hands-on exercises and quizzes.
- Live surgeries will be observed or assisted at each session.
- Observation and assistance in live surgeries are required.
- All attendees should bring a laptop computer for CT guided software training.

Learning Objectives
After completing the continuum, attendees should be able to:

- Treatment plan, place, and restore dental implants
- Use hard and soft tissue grafting for pre-implant site development
- Use CT guided surgical techniques
- Predictably treat patients using dental implants
- Understand why, when, and how patients can benefit from dental implant treatment
2017

Session 1: October 27-29
Friday: Live Patient Surgery • Drs. John Barksdale & Rick Ferguson
Saturday & Sunday: Introduction to Implants, Socket Grafts, and Diagnosis with a “Hands-On” Placement Workshop

Session 2: November 17-19
Friday: Live Patient Surgery • Drs. John Barksdale & Sean Owens
Saturday: Radiology / Diagnosis • Dr. Mitra Sadrameli
Sunday: CT Scan, Implant Therapy, & Treatment Planning • Dr. Dwight Pate

Session 3: December 15-17
Friday: Live Patient Surgery • Drs. John Barksdale & Sean Owens
Saturday & Sunday: Fixed and Removable Prosthodontics and a “Hands-on” Prosthodontics Workshop • Dr. Arthur Acker

Friday: Live Patient Surgery • Drs. John Barksdale & Sean Owens
Saturday: Immediate Extraction and Implant Placement & Management and Prevention of Complications • Drs. Rick Ferguson & John Barksdale
(See box below for information on concurrent Saturday session for team members)
Sunday: Advanced Implant Prosthetics, and Management of Prosthetic Complications • Dr. Aldo Leopardi

A CE Course for Team Members:

How to Effectively Incorporate Dental Implants into Your Practice
Presented by Kathi Carlson, CDA (Fellow, Association of Dental Implant Auxiliaries)
A special full-day presentation during Session 7 on Saturday, April 7, 2018 for dental team members. By attending this course, the attendee earns membership in the Association of Dental Implant Auxiliaries.

To Register: Call CE office at (504) 941-8193
Tuition Fee: $395 (Dental Team Members Only)
Course #71-17-8 • 8 hours clinical CDE credit
THE FOLLOWING PATIENT RECORDS ARE REQUIRED:
1. Patient informed consent and release forms
2. Preoperative medical/dental history forms
3. Preoperative radiographs
4. Preoperative diagnostic casts, if applicable
5. Preoperative photographs
6. Preoperative dental charting
7. Radiographs taken before and after treatments, if indicated
8. Photographs of completed treatments
9. Postoperative radiographs, if indicated

PATIENT PROTECTION: All participating dentists must be licensed U.S. dentists, and each dentist must submit proof of malpractice insurance to Miss Hong Nguyen, Marketing and Communications Coordinator at hngu19@lsuhsc.edu, by October 6, 2017 (3 weeks before the start of the continuum). Your medical malpractice insurance must specifically cover the following procedures: (1) Implant Placement (2) Bone & Soft Tissue Grafting.

LSU Health New Orleans CDE will ensure that aseptic conditions, equipment and instruments are provided, and that adequate and appropriate arrangements and/or facilities for emergency care are available. The continuum director, supervising implant surgeons, and the experienced implant surgery dental assistants will ensure that the pre-mentioned conditions, appropriate equipment and instruments, and emergency care are available. All patients will be informed in non-technical language of: (1) the training situation, (2) the nature and extent of the treatment to be rendered, (3) any benefits and potential harm that may result from the procedure, (4) available alternative procedures, and (5) their right to discontinue treatment.

NONREFUNDABLE AIRLINE TICKET, FLIGHT CHANGE, OR HOTEL RESERVATION: The Louisiana Academy of Continuing Dental Education, Inc./LSU Health New Orleans Continuing Dental Education cannot be held responsible for the cost of an attendee’s nonrefundable airline ticket, flight change, or hotel room reservation in the event this continuum (or any session of this continuum) is cancelled or rescheduled.

CANCELLATION & REFUND POLICY: The Louisiana Academy of Continuing Dental Education, Inc./LSU Health New Orleans Continuing Dental Education reserves the right to cancel this continuum or any session(s) within this continuum should circumstances warrant such action. In the event this continuum is cancelled or filled, the Academy will either refund the full session tuition or apply the tuition to the next continuum or session of your choice. If you must cancel your registration for this continuum, the Academy will refund your tuition (minus an administrative cancellation fee of 10% of the total tuition) if the Academy receives written notification of your withdrawal no later than September 27, 2017. Notification of withdrawal received after September 27, 2017 will result in forfeiture of the entire continuum tuition.

NEW KNOWLEDGE RELATED TO DENTAL PRACTICE: Dental education and dental continuing education programs have an obligation to disseminate new knowledge related to dental practice. In so doing, some presentations may include controversial materials or commercial references. Participants are cautioned about the potential risks of using limited knowledge when incorporating techniques and procedures into their practices. Providership or partial providership of a continuing education course by LSU Health New Orleans Continuing Dental Education does not necessarily imply endorsement of a particular philosophy, procedure, or product.

CONTINUING EDUCATION CREDIT: Continuing education credit awarded for participation in this continuum may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his or her state licensing board.

EQUALITY OF EDUCATIONAL OPPORTUNITY: The Louisiana Academy of Continuing Dental Education, Inc., LSU Health New Orleans Continuing Dental Education, and LSU School of Dentistry are committed to equality of educational opportunity and do not discriminate against applicants, students or employees based on race, color, national origin, religion, sex, age or disability.

PLEASE: NO RECORDING DEVICES IN LECTURE ROOMS, AND TURN MOBILE PHONES OFF.
An Interdisciplinary Faculty…

**General Dentists, Periodontists, Prosthodontists, an Oral & Maxillofacial Radiologist**

---

**John M. Barksdale, DDS, Director**
Full-time general dentist in Baton Rouge. Completed a two-year practicing Residency Program in Implant Surgery and Prosthetics at Misch Implant Institute, Course Director of Dental Implant Programs for LSU CDE, and visiting lecturer at LSU School of Dentistry. Diplomate of the ICOI, Fellow of the Misch International Implant Institute and Academy of Osseointegration, Associate Fellow of the AAID, Aacd accredited, and President of The Louisiana Academy of CDE, Inc.

---

**Rick Ferguson, DMD, Co-Director**
Full-time general dentist in Davie, Florida. Director of Implant Educators in Florida (a seven-month program teaching general dentists and specialists how to become implantologists). Clinical Assistant Professor at the University of Florida College of Dentistry, visiting lecturer at the University of Miami, and lectures internationally on a variety of implant surgery and restorative topics. Diplomate of the International Congress of Oral Implantologists (ICOI) and Associate Fellow of the AAID.

---

**Arthur Acker, DMD, MAGD**
General private practice dentist in Venice, Florida. He helped establish and became a board member of Implant Educators, a comprehensive dental implant CE program. Dr. Acker holds a Master’s Certificate in Comprehensive Dentistry from and has served as an adjunct professor at the University of Florida College of Dentistry for the past twenty-five years. He has been involved in dental education his entire career and lectures throughout the U.S. on implant related topics.

---

**Dwight Pate, DMD**
Full-time general dentist in private practice in Auburndale, Florida. He completed a general practice residency program and acquired considerable knowledge in the areas of comprehensive dental diagnosis and treatment planning. A Diplomate of the ICOI, Dr. Pate is Clinical Director of the Implant Educators Implant Continuum, an adjunct professor at the University of Florida College of Dentistry, and completed extensive studies at The Dawson Center and The Institute of Advanced Dental Studies.

---

**Glenn Gittleson, DDS**
Maintains a private general dental practice in Merrick, New York. Founder and Director of The Center for Implant Prosthetic Education and Training that offers courses on occlusion and implant prosthetics. Faculty member of the Implant Educators Comprehensive Interdisciplinary Implant Continuum. Fellow of the ICOI and Affiliate Member of the International College of Prosthodontists. He lectures nationally and internationally on implant prosthetics and occlusion.

---

**Aldo Leopardi, BDS, DDS, MS**
Prosthodontist practicing in Denver, Colorado. Faculty member: Implant Educators Comprehensive Interdisciplinary Implant Continuum. Clinical assistant professor in the Department of Prosthodontics at the University of Colorado School of Dentistry. Member of the Aacd, the Academy of Osseointegration, the ICOI, and the American College of Prosthodontists. Lectures nationally on subjects involving fixed, removable, and implant dentistry and is involved in clinical research.
Richard J. Miron, DDS, BMSc, MSc, PhD
Adjunct faculty member in periodontology at Nova Southeastern University in Fort Lauderdale. He is the lead investigator at the Miron Lab and the head educator at Advanced PRF Education. His research involves enamel matrix proteins for bone and periodontal regeneration, bioactive growth factors, platelet-rich fibrin (PRF), osteoinductive bone grafting materials, and guided bone regeneration in implant dentistry. Author of more than 100 peer-reviewed research journal articles.

Sean Owens, DDS

John Russo, DMD, MHS
Private practice periodontist in Sarasota, Florida. A graduate of the Ohio State University College of Dentistry, he is a clinical assistant professor of periodontics at the Medical University of South Carolina where he also received his specialty training in periodontology and a Master of Health Science degree. A Diplomate of the ICOI, Dr. Russo is a nationally recognized expert in dental implants and bone grafting and lectures in the US, Canada, and Mexico.

Mitra Sadrameli, DMD, MS
Full-time, board certified, private practice oral and maxillofacial radiologist in Chicago, Illinois. After dental school, she completed a one year AEGD program and practiced general dentistry for sixteen years before earning a certificate in Oral & Maxillofacial Radiology and an MS degree. A faculty member of the Implant Educators Dental Implant Continuum, she lectures nationally and internationally on Radiology and Implant Dentistry.

Avi Schetritt, DMD
Full-time, board certified, private practice periodontist in Fort Lauderdale, Florida. After two years of general practice, he completed a diploma in periodontics and served for six year as an associate professor at the University of Montreal. A private practice periodontist since 2000 and a Diplomate of the ICOI and the American Board of Periodontology, Dr. Schetritt is a Senior Editorial Reviewer for *Implant Dentistry* and a faculty member of the Implant Educators Implant Continuum in Florida.

Kathi Carlson, CDA, FADIA
A Certified Dental Assistant, credentialed speaker, and co-creator of The Implant Consortium. For the past twenty-two years she has focused on dental implant clinical and professional development training for dental auxiliaries. Ms. Carlson has trained dental implant teams nationally and internationally. She is a Fellow and a founding Certified Educator of the ADIA (Association of Dental Implant Auxiliaries), a component society of the ICOI, the world's largest dental implant society.
LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP neither approves nor endorses individual courses or instructors nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the Commission for Continuing Education Provider Recognition at www.ada.org/cerp
