

The Many Faces Of Orofacial Pain: Beyond TMD

Friday-Saturday, December 3-4, 2021

A maximum of 14 clinical hours (lecture) | Course #44-21-Video* | AGD #200
Sign-In (each day): 7:30-8:00 am (CST) | Course Starts (each day): 8:00 am (CST)

Registration Fees:

	Early Bird	Regular
	<i>BY 12:00 pm / noon (CST) 10/22/21</i>	<i>AFTER 12:00 pm / noon (CST) 10/22/21</i>
Dentist / Healthcare Professional:	\$2,200	\$2,417

* LSUCDE video courses are live-streamed via BlueJeans. CE administrators perform roll call and random check-ins via the chat window in BlueJeans. If you miss one or more check-ins it could affect your credits.

Before the course you will receive three links: a link to the meeting, a link to a short test, and a link to a course evaluation. You must submit the test and evaluation in order to receive credit.

The Louisiana State Board of Dentistry counts CE hours earned through LSUCDE live video conference as in-person hours.

OVERVIEW & OBJECTIVES

This course focuses on the advanced diagnosis and management of orofacial pain, current theory and diagnostic aids used in the differential diagnosis of craniofacial pain, and how differential diagnosis is an extremely challenging aspect of dental practice. This course also includes a discussion on cranial nerve pathology, vascular pain, otalgia, salivary gland pathofunction, neuropathic pain, headaches, burning mouth syndrome, and movement disorders.

Other topics covered include the diagnostic confusion that can result from the complexity of neural networks involving the craniocervical area and the number of conditions that share common symptoms with or may mimic odontogenic pain.

After participating in this activity, participants should have an increased understanding toward the complex neurophysiology of pain; the ability to recognize and understand the influence of various headache disorders in the diagnosis and management of the patient encountering orofacial pain; and an increased understanding of the concepts of dysfunctional neuropathic orofacial pain conditions and their various management approaches.

ABOUT THE PRESENTERS

Solomon G. Brotman, DDS, MAGD is a graduate of the University of Maryland and received his Certificate in Comprehensive General Dentistry from the University of Florida. He was Chairman of the Florida Board of Dentistry and is Vice President, National Clinical Operations of Life and Specialty Ventures. Dr. Brotman maintains a private practice in Jacksonville, Florida and is a Clinical Instructor in the Department of Neural and Pain Sciences at the University of Maryland.

Cristina Cabret-Aymat, MD received her medical degree from University of Puerto Rico Medical Sciences. She completed her neurology residency at Boston University Medical Center and completed her fellowship at University of South Florida. She is board certified in Neurology by American Board of Psychiatry and Neurology. She is certified in Headache Medicine by United Council for Neurological Subspecialties.

Maria-Carmen B. Wilson, MD is Medical Director of the Headache and Facial Pain Program at Ochsner, North Shore Region. She is a former Professor of Neurology at the USF College of Medicine. She is board certified in Neurology and Headache Medicine by the American Academy of Neurology and Psychiatry and the United Council for Neurological Subspecialties.

This course also serves as the third session of the five session Orofacial Pain Continuum™. Continuum directors Drs. Ehrlich, Klasser, Spencer, and Auvenshine present and participate in each session throughout the continuum along with renowned guest lecturers.

If you wish to register for the entire continuum, register for course #40-21.

ADA CERP® | Continuing Education Recognition Program | LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
